

## FOUR<sup>®</sup>US WALLPOD

Design: Anders Nørggard / Concept: Four Design

### Description:

Four<sup>®</sup>Us WallPod brings you the opportunity for exploiting every square feet.

Whether you need a comfy spot for a coffee break or a practical work facility, WallPod is the perfect solution for a touch down area.

Here you can sit or stand undistracted. The design is invitingly shaped to bring you coziness and privacy. The concept is a member of our Zoning Family and reflect the clean design of Four<sup>®</sup>Us. The special, wall-mounted units can be created in any upholstery or colors completely by your preferences.

Design: Anders Nørggard / Concept: Four Design

### ISO14001:

We are aware of our environmental responsibilities. We strive towards a minimal burden in the internal and external environment. The internal environment is evaluated through a careful examination of components and materials used in the production manufacturing processes. The external environment is monitored through laws and regulations.

It is important to Four Design that our suppliers abide to the environmental laws regarding production and handling of waste materials. It is our goal to always use environmentally friendly raw materials.

Four Design A/S can document our commitment to the environment.

We have been awarded the Miljøforum Fyn's Environment Diploma and obtained the ISO14001 certificate in 2011.

### Recycling:

General: Four<sup>®</sup>Us WallPod can be separated into parts.

Metal parts: can be disposed and recycled by an approved environment and raw materials organization. Lacquered frames are treated with a paint classified as not dangerous according to directive 1999/45/EF.

Upholstery: Foam: can be recycled and reused for new foam products.

Upholstery is not recyclable, must be disposed of in the incinerator.

### Maintenance:

We kindly refer to our Maintenance Guide.
