

Ascend Workstation Back To Back Castledex

4-6 Weeks

Ascend is a dynamic sit and stand workstation solution for the modern workplace. Ascend is a rectangular profile system that provides a full range of height adjustment options in a system that can be configured as a single desk, L-Shape, 120 Degree or a back to back. With a height range of 620 mm to 1280mm. Via a 4 button setting position control panel the the height range can also be locked at any desired finished height.
