

SYS Armchair Archini

6-8 weeks

SYS is an abstract expression of the elegant curves and natural texture of the shell. The designers have incorporated it into every detail of the seat, which brings users a unique visual enjoyment and experience. The surface is zipperless and hand-stitched, with cotton padding embossing to create a texture similar to that of a seashell. This not only adds aesthetic appeal to the seat, but also provides an excellent tactile sensation.
