

# Skylark Castledex

6-8 weeks

Skylark is a modular seating system designed for focused corners to open collaboration zones. Whether it's a quiet space for two or a dynamic setting for twenty, Skylark adapts to fit your needs. With 19 unique modules, it's suited to commercial and education environments alike - receptions, breakout spaces, libraries, offices, and informal meeting areas. Each piece is locally made by our team from technical drawings and CNC-cut frames to hand-finished upholstery.
