

COLUMN

h/a desk executive

Some of our lovely clients may agree, that an L-shaped sit-to-stand desk may prove to be overkill, however, more storage is always welcomed. COLUMN h/a workstation has been redesigned to suit a personal office setting, where L shape workbench is created by retaining an adjustable surface where it's needed the most and the return is made up of storage cabinets and services reticulation.

Lead time: 4-6 weeks
